

LEGAL NOTICE
Of
GREENLAND PLANNING BOARD
STEERING COMMITTEE
PUBLIC MEETING

The Planning Board is looking for volunteers to form a Steering Committee to help coordinate and organize a Town-wide **Informational Community Workshop**. This Committee will be made up of Greenland volunteers who are interested in outlining the agenda, conducting outreach to get the public to the Informational Workshop and brainstorming through other logistics for the workshop.

The Steering Committee will meet at the **Greenland Town Hall** in the **Conference Room** at **7:00 P.M.** on the following dates: **WEDNESDAY September 30, October 21 and November 18.**

Please see the attached letter for more information regarding the Steering Committee and the Informational Community Workshop.

September 14, 2009

Dear Greenland Resident,

The Greenland Planning Board is crafting a Downtown Village District Ordinance and is also considering rezoning a part of the Route 33 corridor. In order to seek input and provide information on these topics, particularly the Village District, the Planning Board is going to hold an **Informational Community Workshop** that will be facilitated by the UNH Cooperative Extension and the Rockingham Planning Commission on December 5th, 2009 at the Greenland Central School from 8:00am-1:00pm. A continental breakfast (bagels, doughnuts, juice and coffee) will be served from 8:00am-8:30am.

The goal of this workshop is to generate ideas, outline plans, and promote community consensus. The workshop will also be held to provide information on the potential borders of the Village District, gather what some of the permitted uses within the Village District might be, and discuss other zoning initiatives that might be incorporated in such a district that will maintain and enhance the traditional, small rural character that is already seen and felt in Greenland's current "downtown area."

To begin obtaining information, and in order to get ready for this workshop, the Planning Board hopes to form a steering committee that will meet at the Greenland Town Offices at 7:00pm on September 30th, October 28th, and November 18th. Under the leadership of the UNH Cooperative Extension and the Rockingham Planning Commission, the Planning Board is encouraging residents of the Town to volunteer for this committee in order to help outline the agenda, conduct outreach to get the public to the workshop on December 5th and brainstorm through other logistics such as food etc...

If you would like more information or would like to join the steering committee, please contact the Greenland Planning Board, aleonard@greenland-nh.com or 603-431-3070. As mentioned above, a kick-off meeting for those interested in being part of this steering committee will be held September 30th at 7:00pm at the Greenland Town Offices.

Thank you very much for your consideration of this request and we hope to see you at the kick-off meeting on September 30th, as well as the workshop on December 5th.

Sincerely,

The Greenland Planning Board
