2. Payroll Manifest #7

The Board reviewed payroll manifest #7 in the amount of \$36,450.08. After the review, the following motion was made:

3. Accounts payable Manifest #7

Motion 2: Charles Cummings moved to approve accounts payable manifest #7, in the amount of \$217,028.71 as presented. Vaughan Morgan seconded the motion. All were in favor. MOTION CARRIED.

4. Other Business

The Board discussed the usage of the Caswell Road tennis courts. Mr. Sodini noted he supports keeping the courts closed until the week of April 14th. They discussed an individual who is holding private lessons on the courts, which is not a recreational program through the Recreation Department. Mr. Cummings felt this individual should have a contractual arrangement or understanding with the Recreation Department for a program, for set times and days in advance. The Board felt it was important that public property not be used for a private purpose. Mr. Cummings suggested reserving the right to revisit this

situation if residents complain further about the availability of the courts.

Ms. Anderson informed the Board that the hours for the Secretary to the Boards position will be reduced to 34 hours per week, making it ineligible for the NH Retirement System.

The Board discussed recycling at the Transfer Station. Mr. Cummings noted that recycling is mandatory in Greenland, but noticed that there are a large percentage of residents that do not comply. Mr. Sodini felt it would be a good opportunity to bring this information to the residents by sending something home through the school. Offering recycling bins to purchase was suggested as an option, but the Board felt that requiring the use of clear bags would be difficult. The Board suggested putting up more signs at the entrance and on the compactor at the Transfer Station, as well as, at the Town Offices that state it is mandatory to recycle. Ms. Anderson noted she had already prepared and sent an article to the Grapevine on the subject of recycling for the upcoming issue.

Having no other business to discuss, the following motion was made:

Motion 3: Vaughan Morgan moved to adjourn the meeting at 4:50 P.M. and John Penacho seconded the motion. All were in favor. MOTION CARRIED.
