APPLICATION FOR USE OF TOWN PROPERTY

Permission is required from the **CHIEF OF POLICE** to sell items, express an opinion on an issue of public debate, or take orders for merchandise on public property in Greenland. Approval will be based on the following conditions:

- 1) Sales of goods or orders for merchandise must be done by non-profit groups only (example: Girl Scouts, Boys Scouts, Conservation Commission, etc.).
- 2) If applicable: Safety guidelines for masks, social distancing, and CDC/State COVID.
- 3) No soliciting shall occur directly at any stop sign/intersection or in the travelled portion of the road. Intersections may not be blocked, and traffic may not be impeded by pedestrians or displays, whether in the travelled portion of the road or on the shoulder.
- 4) Traffic must be allowed to move safely at all times, without being required to stop or engage with solicitors.
- 5) If requested and only on days when the Town Hall is not open for business, a safe area in the Town Hall parking lot may be established for drivers wishing to voluntarily pull over to engage with solicitors. This area must not be in the travelled portion of the roadway or create any safety issues or traffic concerns.
- 6) The Town Hall is open for business Monday-Friday. Depending on the number of solicitors anticipated, parking spaces must be kept open and available to serve the public doing business at the Town Hall. There is no parking for the public in front of the Town Garage (where the buses park) as it is an active work zone at all times. There is no parking in the spots marked "Fire Dept". Additional parking may be available by Krasko Field.
- 7) Participants agree to comply with any additional safety requests made by the Greenland Police Department, Greenland Fire Department, or Town Health Officer.
- 8) This approval does not guarantee sole use of the location (other approvals from other individuals or groups may also be granted during the dates and times approved). Solicitation location preferences will be first come, first serve within the guidelines noted above. All other groups will have the same list of requirements as a condition for approval.
- 9) Non-compliance with these conditions may result in a termination of approval.

Applicant(s):
