Updated: March 31, 2020

Governor Sununu has issued a stay-at-home order until Monday, May 04, 2020.

We encourage our residents to keep looking out for each other! Social distancing doesn't mean you have to stay inside; just keep in mind not to congregate on playgrounds, courts and ballfields, etc. One community Face Book page asks residents to write encouraging/motivating messages on the driveways of their neighbors--great idea! Check on your senior and/or disabled neighbors who live alone -- by phone, a wave through the window as you are walking by, or a note. DO NOT go inside or speak face-to-face in close proximity.

Reminder: Greenland School and the Library are closed. Even though the Town Hall is closed to the public until further notice, we are working; please call us before coming over (Town Clerk: 431.7111 x120; Building Department: 380.7372).

**REMINDER: Residents need to be vigilant about phone calls and emails requesting donations.** Scams are popping up nationwide, asking for donations for doctors, medical supplies and other emergency resources. Be very careful. Make sure you are dealing with a trustworthy charity.

**Transfer Station:** The Transfer Station is currently open on Wednesday and Saturday, 8 am to 5 pm. Safety measures are being implemented at the Transfer Station, including limiting the number of vehicles at any given time. Vehicles should be prepared to stop at the barricade and wait to be waved through. Delays expected; please plan accordingly. Thank you for your patience and understanding.

If the Transfer Station hours change, we will post updates on the Town website ([greenland-nh.com](http://greenland-nh.com)), our Face Book page (Town of Greenland) and the sign in front of the Town Hall.

**Please dispose of disinfectant wipes in a separate trash bag.** Flush only toilet paper or tissues in the toilet (even the wipes marked "flushable" can clog pipes). **Pipes to your septic system may clog easily.**

**Veterans:** The VA Medical Center in Manchester is urging veterans to use the VA's online tools for telehealth appointments, prescription needs, questions and automated text messages. As with all doctors' appointments, *call first*. [Click here](#) for the VA's online patient portal. There's also a VideoConnect app. For more information, [click here](#).

**Are you feeling anxious?** There are many people feeling anxious about the current situation. Here are some resources that may help: [Seacoast Mental Health](#) has geared up for exactly these challenges (431.6703 or <https://smhc-nh.org/covid-19-updates/>). [SOS Recovery Centers](#) are also a good option for people in recovery. Use this link for SOS (<https://straffordrecovery.org/virtual-meetings/>); Recovery Center in Portsmouth, Safe Harbor

link (<https://nhrecoveryhub.org/find-help/safe-harbor-recovery-center>). Also available is a **Coronavirus Anxiety Toolkit** and includes some great online resources.

**Single-Use Plastic Bags:** Governor Sununu ordered all grocery and retail stores to temporarily transition to the use of single-use paper or plastic bags only (no reusable customer bags) due to the threat of the spread of the coronavirus. Customers' use of reusable bags is banned. The order applies to all supermarkets, grocery, convenience and retail stores as well as any other similar establishment engaged in the in-store sale of product. The purpose of the order is to avoid the unintentional spread of the virus from the home environments.

**Meals on Wheels:** Starting Thursday, April 02, meal delivery will be reduced to Monday, Wednesday and Friday; there will not be meal delivery on Tuesday and Thursday. An extra meal will be included on Monday for Tuesday and on Wednesday for Thursday. Additionally, they will continue to deliver extra shelf-stable food and frozen meals. New customers are still being accepted, so please call 603-431-0561 to complete an application over the phone.

**Gift cards** can be purchased from many restaurants and grocery stores for future use.

**Welfare assistance:** Contact the City of Portsmouth Welfare Department (603-610-7267) or email: [WFDept@CityofPortsmouth.com](mailto:WFDept@CityofPortsmouth.com).

**Planning and Zoning:** Applications and plans will continue to be accepted for Planning Board and Zoning Board of Adjustment public hearings. Please call first (**380.7372**); a drop box will be placed outside the front door of the Town Hall. After applications/plans are left in the box (no cash), please call (**380.7372**) to notify us. Applications, plans and payment can be mailed. *All deadlines are still in effect.*

**Motor Vehicle Registrations:** We are operating as a “Virtual Town Clerk and Tax Collector Office”. Most transactions can be done online or arranged via phone, email or drop box. Resident’s questions can be answered by phone or email. An appointment can be scheduled by calling (603) 431-7111 x 1 in an emergency situation.

Online transactions for registrations, property taxes, dog licensing, transfer station stickers and vital records can be done at the Town website. To do an online transaction, go to the Town website ([www.greenland-nh.com](http://www.greenland-nh.com)). On the right side of the home page, select the green button for Online Payments. There will be several options: select what you want to pay, i.e. registrations, dogs, taxes, vital records, transfer station stickers, etc. When transactions are processed by our office, you’ll receive items in the mail. If you have a problem, call us and we will walk you through the process. There will also be a drop box at the front door of the Town Hall where you may drop your transaction. However, if you use this method, please call us first. If you have any questions, please contact us at (603)-431-7111 x 1 and we will do our best to help you.

**Building Permits:** Building permits will continue to be issued.

- Option 1: Please call first (**380.7372**); a drop box will be placed outside the front door of the Town Hall. After permits/plans are left in the box please call (**380.7372**) to notify us. You will be contacted if additional information is needed.

- Option 2: All permits are available on the Town website ([greenland-nh.com](http://greenland-nh.com)); click on “Departments”, “Building Inspector” from the drop down list, then “Building Permits” (you’ll see a list of permits). Permits can be emailed ([chussey@greenland-nh.com](mailto:chussey@greenland-nh.com)). You will be notified by email if additional information is needed, when the permit is approved, and the fee calculated.
- Option 3: Use *eCity Permitting*; there will be an additional fee of \$6.95 per transaction (<https://epaypermit.com/consumerportal/municipality/1000000018/permits>). Permits will need to be approved by the Building Inspector; applicants will be notified if additional information is required and when approved.

**Building Department Inspections:** The following inspections will continue to be done:

- Commercial permits
- Residential exterior only that do not require the inspector to go inside the residential home.
- Interior residential home: contact the Building Department (**380.7372**) to see if work can be approved with photos. Determination of the “photo” option will be on a case-by-case basis.
- We will continue to provide assistance by phone. Please call the Building Inspector’s Office at **380.7372**.

**Fire Department:** The Fire Department is closed to the public; they will continue to respond to emergency calls. Burn permits are not being issued at this time. Online permitting can be done at: <https://nhdfweb.sovsportsnet.net/>. The non-emergency phone number is **436.1188**.

**Police Department:** Remains business as usual.

**A few reminders to keep everyone safer:**

- Don’t congregate.
- Get outside, enjoy some fresh air. Just keep your distance.
- No group sports, no group gatherings (not even ones you’ve planned, for example birthday parties).
- If possible, avoid contact with older relatives.
- Remember, you might unknowingly be a COVID-19 carrier.
- Wipe down you cell phones when sanitizing surfaces. They’re in constant use connecting hands and face.

**If anyone in your household is quarantined due to COVID-19 and you need to contact emergency services (ambulance, fire department or police department), it is important to TELL FIRST RESPONDERS.** If responders are not wearing personal protective equipment when they are exposed, they must self-quarantine for 14 days. NO EXCEPTIONS. That will reduce the availability of responders.

**Advice from a Boston physician:**

- Eliminate play dates, even “1 on 1”.
- Eliminate small gatherings, including meetings between a few families.
- Avoid climbing gyms, restaurants, movie theaters, anything in an enclosed area. Many of these places are advertising increased cleaning and hygiene. This is not sufficient!
- Cancel planned vacations for the next month and avoid airline travel.

- Stay at home as much as possible.
- Work from home, if possible.
- Make trips to the grocery store or pharmacy as quick and purposeful as possible.
- Wash your hands thoroughly for 20 seconds after you've been in public places.

If you have any questions or concerns about COVID-19:

Call **211**

You can talk to a trained professional who can  
connect you with resources and assistance.
