PUBLIC HEARING – 911 CHANGES – TOWN OF GREENLAND, NH
Public Hearing Date: Monday, July 23, 2018

The Board of Selectmen, pursuant to RSA 231:133 and RSA 231:133-a, are implementing recommendations from the NH Division of Emergency Services and Communications (E9-1-1) and the Greenland 911 Committee to rename and/or renumber certain addresses which, for reasons listed in the accompanying informational letter, pose a safety concern for our first responders. These changes will enable our emergency personnel as well as mutual aid personnel from neighboring towns to respond to critical situations in a much more expedient time frame.

The Board of Selectmen will hold a public hearing on Monday, July 23, 2018, for the purpose of answering any questions the public may have regarding the address change, such as “how do I handle: drivers license, registrations, mortgages, deeds, postal services, creditors”, and specifically who is responsible for what. All interested parties are invited, but not required, to appear in person or by representation of agent or counsel. The public hearing will be held at 7:00 p.m. at the Greenland Town Hall, located at 11 Town Square (formerly 575 Portsmouth Avenue).

It has been recommended that the following addresses be assigned a new street name and/or number:

- 310 through 525 Great Bay Road
- Great Bay Drive East
- Great Bay Drive West

If you have any questions, please feel free to contact Charlotte Hussey at the Town Offices (431.3070) between 7:45 a.m. and 3:45 p.m. or Police Chief Tara Laurent (431-4624) during business hours—please do not call emergency numbers.
